QUICK NOTES

Good to Know

1

Visa-free entry

Japan offers 90-day visa-free travel for many passports. If you have any questions about yours, just email us.

2

Trusted-traveler programs

If you have Global Entry or TSA PreCheck, you're set for departure. On arrival in Japan you'll still pass through Customs & Immigration.

3

Deposit

\$500 per person or group is now being accepted. Refundable through December 1st, 2026 — the same date your \$1,000 discount and best flight pricing window close.

4

Payment methods

Pay by Zelle (email for the number), PayPal Invoice, or direct PayPal to Jmontaque5@hotmail.com. Book a call if you'd like help choosing.

5

Hotels & excursions

Held until your flight is booked and deposit is made. Our goal is to have everyone fully booked before May 1st, 2027.

6

Make it your own

Each city has many offerings. If something doesn't catch your interest, Minami — your app's AI concierge — can help you plan your own adventure.

7

Extra days

Adding extra days carries no additional planning cost — it's already included in your primary trip cost.
